**NEEDED:** Volunteer(s) to organize and run the Afterschool Clubs and Book Fairs beginning in the fall, 2019. Our current parent volunteers will be moving on to Middle School. Ideally, next year's coordinators would shadow our current coordinators this spring in order to "learn the ropes." If you are interested in helping out with these important contributions to Mooreland, please email [MoorelandPTO@gmail.com](mailto:MoorelandPTO@gmail.com)

Thank you!

**Shop at Amazon, Support Mooreland PTO!**

**What:** The Mooreland PTO has signed up for AmazonSmile, a program where you buy goods as you would normally, and a small donation is made to the PTO. This is at no additional cost to you and helps cover Family Fun nights, scholarships for clubs, and other activities!

**How:** Simply follow the link below when you begin shopping at Amazon.com. This will let Amazon know that you are supporting Mooreland PTO with your purchases. If you have bookmarks for Amazon on your smartphone or desktop, just delete them and add this link in its place.

## **REMINDERS**

### **Cold Weather Guidelines for Recess & Outdoor Physical Activity**

Carlisle Area School District uses the following cold weather guidelines to decide if it is acceptable to have outdoor recess.

- When properly clothed, elementary school-aged children can participate in safe, vigorous play in an outdoor environment in most weather conditions. Increased caution is practiced when temperatures are below 30 degrees, including the wind chill factor.
- When **temperatures fall below 20 degrees including the wind chill**, students are kept indoors (using “feels like” temperature).

### **Cold Weather Reminders**

Cold temperatures and blustery winds are here! Please remember to send your student to school dressed for the weather - layers work best! Please check our *Lost & Found* located in the lobby if your child loses or misplaces an item.

### ***WINTER WEATHER MESSAGE FROM CARLISLE ARE SCHOOL DISTRICT***

The winter weather can create a real challenge, with school administrators trying to determine the best forecasts for delaying or canceling school. School administrators and bus company representatives begin traveling district roadways between 4:00 and 4:30AM to review actual road conditions. In addition to this review, contacts are made with the local road crews on the status of road conditions and what procedures (treating, plowing) are being implemented. The school facilities director is also involved in discussions about the conditions at the school bus unloading, parking areas and sidewalks. Based on this information and the latest weather forecast, a decision is made by approximately 5:00AM. The local radio and television stations are contacted and instructed to make the appropriate announcement. The parent notification system will also be activated to inform those parents who have supplied the district with information to participate in these alerts. The task is never easy; many factors can impact the decision such as the changing road conditions and weather forecasts for our immediate area that can be very unpredictable. The district considers the safety of all of the children riding school buses, driving, and walking to school, and asks for your patience as we deal with the winter weather. During inclement weather students should wait at their bus stop for 25 minutes before returning home.

### **SAFETY AND SECURITY: VISITORS PLEASE SIGN-IN**

**As of October 22, 2018, ALL visitors are required to present a photo identification card, preferably a valid, state-issued driver's license, or other photo identification, to the front office personnel every time access to the school is granted.**

**This procedure applies when school is in session to:**

- **Pick-up a student**
- **Gain access to the school beyond the office when necessary**
- **Attend an event on district property such as concerts, plays, field day, etc.**

When visiting/volunteering, please report to the office, present your ID, and obtain a visitor's badge every time you visit the school. Your cooperation with this district requirement is appreciated as we work to ensure the safety of our students.
